LOGO:

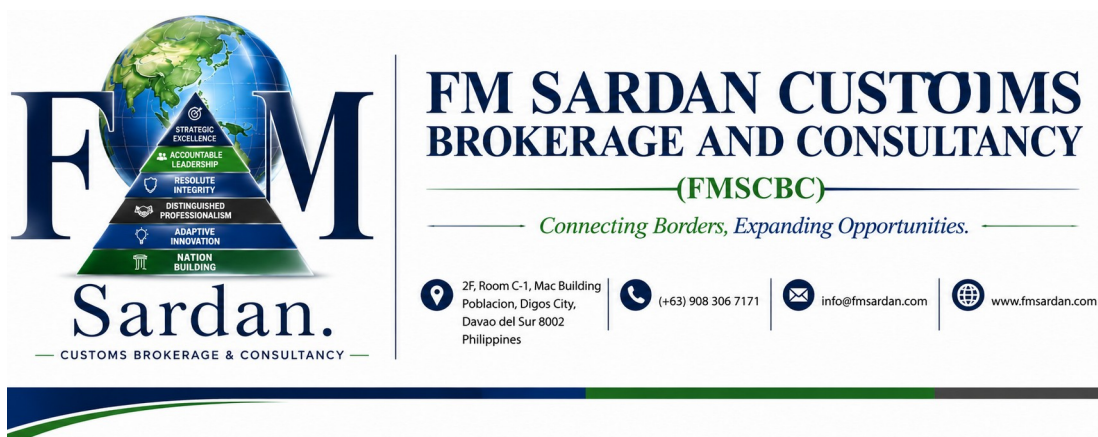

Official Logo Symbolism and Meaning:

The FMSCBC logo is more than a visual identity—it is a representation of the firm's vision, mission, philosophy, values, and commitment to global trade, professional excellence, and nation-building. Every element of the logo has a deliberate meaning that collectively communicates the firm's purpose and aspirations.

1. THE GLOBE

Symbol of Global Trade and International Connectivity

The globe represents the worldwide nature of commerce and the firm's role in facilitating international trade. As customs brokerage and trade consultancy services connect businesses across countries, the globe symbolizes:

Global Engagement

- International Trade
- Cross-Border Commerce
- Worldwide Connectivity
- Economic Integration
- Global Opportunities

The realistic world map reinforces the firm's commitment to operating within the international trade environment and reflects its vision of becoming a globally engaged trade partner.

Relation to the Vision

"FM Sardan Customs Brokerage and Consultancy envisions to be a globally engaged trade partner creating sustainable impact in society and the economy."

The globe serves as the visual embodiment of this vision.

2. THE LETTERS "F" AND "M"

Symbol of Identity, Leadership, and Legacy

The large letters F and M represent the owners first name:

F – Ferddy

M – Mark also represents, Management, Mastery, Mission, and Momentum

The letters stand prominently on both sides of the pyramid, representing stability and strength.

The partial overlap of the pyramid over the letters signifies that:

- Values and principles stand at the center of leadership and business operations.
- The firm's identity is therefore not built merely on a name but upon the values represented by the pyramid.

3. THE PYRAMID

Symbol of Growth, Stability, and Excellence

FM SARDAN CUSTOMS BROKERAGE AND CONSULTANCY

5. THE NAME "Sardan"

The name Sardan serves as the firm's primary identity and brand and also the last name of the founder.

Its placement beneath the pyramid signifies that:

The
firm's

reputation is built upon the foundation of its values.

The bold and prominent typography reflects:

- Authority
- Stability
- Professional Credibility
- Corporate Strength

6. CUSTOMS BROKERAGE & CONSULTANCY

The descriptor clearly communicates the firm's dual role:

Customs Brokerage

- Customs Clearance
- Regulatory Compliance
- Import and Export Processing
- Trade Documentation

Consultancy

- Trade Advisory
- Customs Management
- Strategic Trade Solutions
- Regulatory Guidance

This positioning establishes FMSCBC not merely as a customs processor but as a strategic trade partner.

This

tagline captures the essence of the firm's work.

Connecting Borders

Represents:

- International Trade
- Cross-Border Commerce
- Global Connectivity
- Trade Facilitation

The phrase reflects the firm's role in helping businesses move goods, services, and opportunities across international boundaries.

Expanding Possibilities

Represents:

- Business Growth
- New Markets
- New Opportunities
- Economic Advancement
- Trade Expansion

It emphasizes that trade is not merely about moving cargo; it is about creating opportunities for businesses, industries, communities, and economies.

Why It Fits the Logo

The globe symbolizes Connecting Borders.

The upward pyramid symbolizes Expanding Possibilities.

Together, they visually express the tagline.
